The Office Action dated May 18, 2004 has been carefully reviewed and the following remarks have been submitted in consequence thereof.

Remarks

Applicant and the undersigned wish to express their appreciation to the Examiner for the courtesies he extended during a telephone interview that occurred on June 2, 2004. During the interview, the Office Action dated May 18, 2004 was discussed. More specifically, during the telephone interview, the undersigned respectfully submitted to the Examiner that (1) the amended claims included in Applicant's Amendment dated March 2, 2004 (the "March 2nd Amendment") are not directed to an invention that is independent or distinct from the invention claimed in the originally filed patent application; and (2) the Office Action dated May 18, 2004 is an improper Restriction under MPEP § 821.03 because it withdraws from consideration all claims submitted in the March 2nd Amendment, it fails to address independent Claims 14, 28, 35, 43, 52, 74, or 78, it fails to provide an elected group of claims, and it fails to provide a complete action on all claims included in an elected group
